

Milwaukee County Supervisor Patti Logsdon

9th District—Oak Creek, Hales Corners, Franklin

Legislative Update

Dear Friends,

It's amazing how fast the first months have flown by since you elected me to represent you as Supervisor for Milwaukee County's 9th District. I dove right in on day one and have been working hard to learn more about Milwaukee County and our neighborhood concerns.

The kindness and energy of this district and the warm reception I have had from members of County government have ensured my time here has been productive. From residents calling the office, to meetings in the community, I have had fun getting to know each person I've met and what matters most to them and their communities.

There are many, MANY, public events in our district and I've been scheduling and traveling to join in the 4th of July celebrations and help the Parks Department open the traveling Beer Gardens. Through these experiences, it is clear to me that the 9th District views civic involvement as the heartbeat of our communities. I am proud to work for a district that places such importance on civic participation.

On the note of civic involvement, I would like to specially thank the Oak Creek robotics team for helping me pass out candy as I walked in the parade. I am very proud of our district's youth.

Thank you for allowing me to humbly serve as your voice in County government. I am excited about the future for Oak Creek, Franklin, and Hales Corners and welcome you to reach out to me if there is a County government project or concern that I could aid you in solving.

Sincerely,

Patti Logsdon, Milwaukee County Supervisor

Upcoming Events

From September through November, the County Executive and Board will be working together to create this year's budget. Hearing what you have to say about the budget is one of my priorities, so on Monday, September 10, I will be at an Open House with the County Executive. I hope to see you there!

2019 BUDGET OPEN HOUSE SERIES

We want to hear your priorities and answer your questions about the Milwaukee County budget. You'll be able to chat with experts and decision-makers throughout the event. Stay as little or as long as you'd like!

5 p.m. — **Doors open. Discuss your budget priorities with County staff & elected officials**

6 p.m. — **Brief presentation by budget staff & elected officials, followed by opportunity for public comment**
